Treasure Island

In the week before the Easter holidays our year 3/4 children performed their version of the musical Treasure Island over two nights.

The pirates found a map showing treasure hidden on an island with a giant X to mark the spot and set off to find it. The crew on the ship was made up of 'rough, tough' pirates and 'good' pirates.

By the time they had reached the island there had been a mutiny on the ship and the 'good' pirates went off to claim the treasure.

All the singing was amazing and the acting was fantastic. Well done to all of year 3/4 children for your brilliant effort. Many thanks to parents who provided great costumes and supported children on the night. Also, a big thank you also to all of our year 3/4 staff for all your hard work.

Nursery Spaces

We still have some spaces left in our fantastic nursery for both morning and afternoon sessions, to start in the autumn term 2019. If you or anybody you know is interested and still hasn't enquired about places, please phone or call into the office as soon as possible. Parents/carers are welcome to come in and view the nursery to see the types of activities we do and to see how starting in our nursery aids a positive transition into school life.

Wedding Congratulations

We would like to send our best wishes to two of our members of staff who got married over the Easter holiday. Firstly, congratulations to Miss Elton who became Mrs Harrison over the break and also to Mr Cooper who married Miss Smith, a member of staff from Brockington. Wishing you both every happiness in your new married lives.

Library Poster Competition

Before the Easter break Narborough and Littlethorpe Library ran a competition in conjunction with the school to see which children could design the best posters for their favourite books. Designs were done both in school and at home and ranged from Roahl Dahl books to fairy tales and children's picture books.

Harry Potter proved to be an unsurprising favourite! 14 Children were shortlisted to go into the final and each of these were given an Easter egg donated by the library. Of these 14, four went on to become overall winners in their categories:

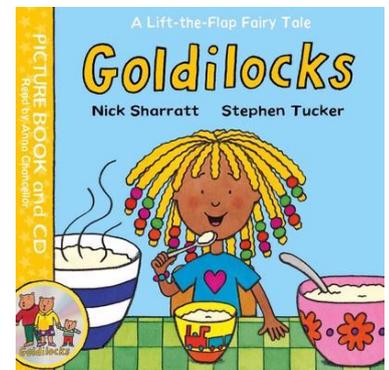

Thomas from Red Class was a winner in the foundation category

Lily from Yellow Class won for the year 1/2 children
Iris from Turquoise Class was first in the year 3/4 competition

Lily from Indigo Class was the winner in the year 5/6 category.

Well done to all our winners, their posters are proudly on display in the library.

We are obviously trying to promote children's love of reading and would encourage children and parents to use the library and look at any activities they arrange. Details of the Summer Reading Competition will be out later in the term.

School Uniform and Sandals

Could we remind parents that children should come into school wearing the correct school uniform which is royal blue on the top, with a white or light blue polo shirt and a **grey** bottom half. If your child chooses to wear grey shorts, please make sure that they are of a school uniform design and an appropriate length.

As a matter of health and safety, we would like to remind you that open toe sandals and strappy shoes are not to be worn in school. We encourage all children to be able to play and run freely at break times and sensible shoes allow them to do so.
