Scooters and Bikes

Although children are allowed to bring scooters and bikes into school and leave them in the designated area, they are **not** to be ridden in the school grounds. There have been instances where children have been knocked over and therefore in the interests of safety, please take care and wheel them whilst in school.

Sports

Football

Although we are not quite at the end of the football season we would like to say well done to the girls and both the boys football teams for playing so well and persevering even when the weather has been so challenging! It has been great to see so many children getting involved and working together in their teams. Many thanks also to all the parents who have supported us in the rain and mud, it is very much appreciated.

Area Sports

As area sports is approaching in June, please could you ensure that children in KS2 have their PE kits in school everyday over the next few weeks as Mr Atkinson will be supervising trials for our team.

Year 1 Brocks Hill Visit Re-Arranged

A letter came out with year 1 pupils on Monday to inform parents that due to unforeseen circumstances the trip on Wednesday 9th May to Brocks Hill has been cancelled. An alternative trip to the Botanic Gardens has been arranged on Thursday 17th May. Additional payments and consent forms will again need to be returned to the office. If you did not receive this letter please pick one up from the office.

School Uniform and Shoes

Hopefully summer will be approaching soon, so we would like to remind parents that as a matter of health and safety, open toe sandals and strappy shoes are not to be worn in school. We encourage all children to be able to play and run around freely at break times and sensible shoes allow them to do so. Also, if your child chooses to wear grey shorts, please make sure that they are of a school uniform design and an appropriate length.
