Parking Around Greystoke

The school has received complaints from local residents regarding the parking around our school and Carlton Avenue. We would ask all parents to park considerately and especially with the health and safety of children in mind. Parents should take care not to speed, block driveways, park on corners which make it hazardous to cross the road or on grass verges and if approached by a resident to be courteous with any comments.

If it is possible, please walk up and collect children or park further away from the school safely.
