## Magenta Class Assembly

On the last Thursday of half term Magenta Class performed their assembly to the school. The year 4 children told of their adventures at Kingswood on their residential visit and what they had enjoyed the most. They spoke of how they loved the zip wire and the climbing wall and had enjoyed doing activities with new friends in their groups.

The children from year 3 shared their learning on the topic of why bugs are important and how they are needed by us and the environment. They showed their artwork based on the style of artist Lucy Arnold and sang songs about Cecil the caterpillar and 3 blind jellyfish!

Thank you to Magenta Class for an informative assembly.

## Lost Property

We have a large amount of nameless lost property that has been found around the school, therefore, on Friday afternoon there will be a table set outside the school office with all this property on. Parents are welcome to come and claim any items that may belong to your child. Please could we remind parents to take the time to name items of clothing so that they may be returned. As a school, we do encourage children to look after their belongings and this would help us to do that. Any items that remain will be put into our re-cycling with Michael bin. Also, if you are having a clear out and have any good quality unwanted clothes and shoes please remember our re-cycling bin located by the kitchen.

## Kwik Cricket

Before half term 10 of our year 5/6 children represented Greystoke in a Kwik Cricket Tournament at Countesthorpe Cricket Club. The children had a great day, they played 4 matches against other teams from the Blaby District and all showed great batting and bowling skills. The main purpose of the day was to work as a team and have fun, which was achieved!
