# Information and online resources

## 1. UK Safer Internet Centre

### UK Safer Internet Centre:

The European Commission appointed UK Safer Internet Centre is made up of three partners; Childnet International, the South West Grid for Learning and the Internet Watch Foundation. Together we raise awareness about internet safety, develop information materials and resources and organise high profile events such as Safer Internet Day. You can access a range of resources from across the UK, Europe and wider afield at [www.saferinternet.org.uk/parents](http://www.saferinternet.org.uk/parents).

### Childnet:

Childnet International is a non-profit organisation working in partnership with others around the world to help make the internet a great and safe place for children. The Childnet website hosts all the online resources detailed below, as well as a number of recommended resources for young people, parents, carers and teachers. The Parents and Carers area also contains key advice, information on reporting and detailed information on a range of e-safety topics in the Hot topics section.
