<p>Provide a range of extra-curricular sporting opportunities for pupils to access, give pupils access to specialist PE delivery in lessons and upskill teaching staff in the delivery of PE through the school's Sports Coach.</p>	<ul style="list-style-type: none"> - Sports coach will run extra-curricular activities at lunch times and after school to provide opportunities for pupils in KS2 - Sports coach works alongside teachers to support their CPD in PE subject knowledge - Sports coach will take pupils to events, allowing for greater number of opportunities 	<p>£10,513</p>	<p>- This academic year as a direct result of the Sports Premium the pupils have received high-quality physical education and activity from a sports coach. This has allowed for progress with pupils skills and higher engagement in physical activity across the school. Our sports coach has run multiple break, lunchtime and after-school clubs with EYFS, KS1 and KS2 pupils to help increase physical activity during non-structured times.</p> <p>-Due to our sports coach being in school 5 days a week he is available to assist with any PE CPD and queries that may arise from class teachers and other members of staff and act on it to allow progress to keep happening.</p> <p>Events attended by the children have been very successful with the children winning many</p>	<p>Because of the success with our sports coach this academic year, we are continuing with this in September.</p> <p>We have also got a new sports leader and enlisted the help of the office admin to support the attendance and involvement in even more off site activities and competitions.</p>

			competitions and cups and some children going on to represent the county in events such as cross country running.	
Local sports partnership membership to provide opportunities for a greater number of pupils to access local partnership competitive sport, including personal challenge.	<ul style="list-style-type: none"> - LSLSSP competition membership to access a range of competitions (including personal challenge) - PE leader to attend network meetings to gain understanding of curriculum updates, keep informed of upcoming events and access CPD in the delivery of PE and sports 	£2600	<p>The membership of this partnership has proved to be invaluable in terms of:</p> <p>High quality lesson planning - 1:1 support for adapting PE progression maps and long-term plans to help drive progress in school PE lessons.</p> <p>A varied and full calendar of sporting competitions and events which we have been able to take children to including table tennis, cross country, multisport, football and hockey.</p> <p>Delivery of active learning programmes and the training of staff to continue the running of them in school beyond the initial programme eg: Sparks, Big Moves</p>	<p>We have opted for the same membership next academic year to further provide opportunities to pupils in school.</p> <p>We have a structure in place to increase our involvement and engage in even more sporting events.</p>

Improve the coordination and gross motor skills for pupils in EYFS	<ul style="list-style-type: none"> - Purchase balance bikes and access training in order to support the physical development of all pupils in EYFS 	£1000	This did not happen unfortunately.	Funds kept in reserve for this to happen this year.
To provide opportunities for pupils to access a range of sporting events within the Discovery Schools Academy Trust	<ul style="list-style-type: none"> - Cover transport costs to events that children can attend during the school day, including all DSAT events, KS1 multi-skills festival and Saffron Lane Area Sports 	£1000	This did not happen due to lack of Discovery events.	Funds kept in reserve for this year.
Upskill staff, maintain high standards in the PE curriculum throughout school and access new research and developments in PE and sport	<ul style="list-style-type: none"> - PE leader to attend network meetings through different providers (LSLSSP, DSAT) and feedback developments to improve school provision 	£1000 (4 days per year cost for PE leader cover time)	<p>PE lead is new to the role at the school so has used time to upskill and gain a deeper understanding of the curriculum, make actions plans and research developments in PE and sport.</p> <p>PE lead has also used this time to observe sports coach to maintain high standards throughout the school.</p>	New PE leader again this year due to resignation of previous teacher. Investment needed in training and CPD once again this year.
Encourage activity at break and lunchtimes in KS1 through resources & playground markings for pupils to access.	<ul style="list-style-type: none"> - Introduce new playground markings on the KS1 playground to encourage activity and sport - Purchase playground equipment in order to provide active lunchtimes and team games 	£2000 £650	<p>Playground markings were not completed however, new equipment has been purchased to increase activity of pupils during break and lunch.</p> <p>'Happy Lunchtimes training' bought into and all staff and children attended training. As a result – ongoing investment in</p>	<p>£1000 to carry over for playground markings.</p> <p>Happy Lunchtimes training revisited and shared with pupils with continued investment in equipment to ensure this is kept at the top of the lunchtime priorities.</p>

			resources, new goal posts and kit for all children. This cost £1000. Storage of this equipment has also been purchased in order to keep equipment from being ruined so it can be re-used next year.	
Ensure that all pupils leave year 6 with the ability to swim 25 metres through top up swimming lessons.	- Targeted swimming lessons for pupils in year 6 who did not achieve 25 metres at the end of year four	£639	All year 6 children given swimming lessons to ensure 25 metres standard met.	
Total projected spend		£19,402	£16,402
