# Year 1

## Autumn Term 2023

RE – RE Today Scheme

Who do Christians say made the World?

## Integrated Curriculum

Term 1 & 2 – This is Me!

- History – Children will use vocabulary like old, new and a long time ago to raise awareness of the past. Children will also find things out about the past by asking and answering questions whilst speaking to older people. Children will explore the changes that have been made within their living memory and how they have changed from birth to now.
- Science – Children will identify, name and label basic body parts of the human body and explain which body parts are associated with which sense.
- Geography – Children will learn the difference between human and physical geography and identify features around our local area of Narborough. We will take a walk around Narborough to identify human and physical features.
- Children will create a map of the local area and add in human and physical features identified from our work. Children will also have the opportunity to practice rehearsing their address.

## Art

Self-portraits in the style of different artists  
Portraits

## Computing

E-safety – Self-Image and Identity

Technology Around Us - Learn the different uses that technology offers today

Digital Painting - Use technology purposefully to create, organise, store, manipulate and retrieve digital content
