

Integrated Curriculum

In our element

Topic focus: History, Science and DT

We will be creating a timeline of events that occurred during the Stone Age and Iron Age. We will also be looking at tools, food and homes from these eras, making links and comparisons to the modern day and considering renewable energy sources for a sustainable future.

In the second half term we will have a science focus which will be focusing on light and how shadows are created. We will also explore how magnets work and complete exciting experiment with forces.

Trips and Visitors

Monday 18th September

Stone Age Workshop Day. Linked to our Curriculum work, we will be immersed in the Stone Age and explore artifacts and use drama to help us understand what life was like.

English

Esio Trot by Roald Dahl

We will be looking at descriptive writing features, such as similes, to produce a description of a chaotic setting from a character's point of view.

We will then be linking our English writing to Curriculum and applying our knowledge to write a non-chronological report about the Iron age.

PSHE

- How can we be a good friend?
- What and who keeps us safe?

PE

- Invasion Games:
- Bench Ball
 - Netball
 - Gymnastics

Year 3
