

## Integrated Curriculum

Our topic for this term is Ancient Egyptians. Throughout our history lessons we will consider where the ancient Egyptians fit on a timeline of historical periods, key achievements, and what life was like for people during this time. We will also have an ancient Egyptian experience where the children will be fully immersed in everything Egyptian!

In science we will be conducting a range of experiments to help the children learn all about properties and changes in materials.

Throughout our geography unit we will be thinking all about rivers. We will consider the benefits of living and having cities close to rivers as well as locating famous rivers on an atlas.

## PSHE

In PSHE lessons we will be thinking about health and well-being including healthy habits with regards to drugs, alcohol and

## PSHE

In PSHE lessons we will be thinking about health and well-being including healthy habits with regards to drugs, alcohol and tobacco. We will also consider career options and our aspirations for the future.

## English

'Secrets of a Sun King' by Emma Carroll. We will be using this novel to write fantasy narratives involving speech, as well as writing our own alternative endings using a range of new features.

We will also use our history learning in our English lessons, to create balanced arguments in relation to Tutankhamun and creating a newspaper report about an archaeological find dating back to ancient Egypt.

## Computing

- Programming: Selection in physical computing
- Programming: Selection in quizzes

# Year 5

## Summer Term 2024

## Maths

Decimals and Percentages

Perimeter and Area

Statistics

Shape

Position and Direction

Converting Units

## RE

In the first half of Summer term, we will be thinking about how Christians decide to live and what Jesus would do in certain circumstances.

This half term we will also be learning about Ramadan, Eid and Vaisakhi.

During the second half of Summer term, we will be considering why some people believe in God and why others do not.
