Number and Place Value within 10

Addition and Subtraction

2D and 3D shape

Number and Place Value within 20

PSHE

Emotions and feeling,
Celebrating differences.

Art

Self-portraits in the style
of different artists
Portraits

Phonics

Phase 2 recap

Phase 3 recap

Phase 4

Phase 5

We will focus on segmenting and blending to
read real and alien words ready for the
screening at the end of the year.

English

- 'Little Red Riding Hood'

We will be retelling and acting out the story using
drama to be in role as the characters. This will then
help us to write a narrative using capital letters, full
stops and finger spaces.

- 'The Gingerbread Man'

We will be retelling and acting out the story using
drama to be in role as the characters. We will then
unpick what instructions are and where we might see
them, talk about the features of instructions, helping
us to then write a set of instructions for how to make
gingerbread.

Year 1

Autumn Term 2021

RE - RE Today scheme

Who is a Christian and what do they believe?

Integrated Curriculum

Term 1 & 2 - This is Me!

- History - Children will use vocabulary like, old, new and a long time ago to raise awareness of the past. Children will also find things out about the past by asking and answering questions whilst speaking to older people. Children will explore the changes that have been made within their living memory and how they have changed from birth to now.
- Science - Children will identify, name and label basic body parts of the human body and explain which body parts are associated with which sense.
- Geography - Children will learn the difference between human and physical geography and identify features around our local area of Narborough. Children will also explore differences in old and new pictures. Children will also learn to write their address.

Science Week

Week beginning 4th October is Space week! We will be exploring lots of space-based activities.

Computing

Learn the different uses that technology offers today.

Use technology purposefully to create, organise, store and manipulate and retrieve digital content.
