

Integrated Curriculum

Planet Earth

Topic focus: Science and Geography

We will be producing a non chronological report about the Earth, Sun and Moon. Then we will create a presentation about how people can protect our planet and what might happen if our planet becomes inhabitable.

In Geography we will use our knowledge of human and physical features to create a travel brochure to advertise planet earth to extra-terrestrial life.

We will also produce a report to compare lifecycles locally and around the world.

French

- Revise numbers up to 21.
- Ask and answer questions about what time it is.
- Learn places found in a town.
- Speak and write complex sentences.
- Learn the time differences between France and the UK.

English

'Goodnight Mr Tom' by Michelle Magorian

We will be reading this classic novel, set in World War Two. In this story, we learn about the unravelling relationship between Willie a young evacuee from London, and Mr Tom Oakley. We will look at feelings and emotions of the characters and complete diary entries for Willie. We will then move on to explore the themes within the text.

PSHE

- Belonging
- Puberty

Music

- Pulse
- Voice

Year 5

Autumn Term 2021
