

Integrated Curriculum

In our element

Topic focus: Science, History and DT

We will be creating a timeline of events which occurred during the Stone Age. We will also be looking at tools, food and homes from the Stone Age era and comparing to today.

In Science we will be focusing light and darkness. We will also be looking at Solar Power within Science where we would be introducing the work which UNICEF do. This will then lead onto our Design technology in which we will be creating shadow puppets.

French

Greetings, classroom phrases and beginning to build sentences using basic vocabulary.

English

'Esio-Trot'

We will be looking at first person, past tense and apostrophes for contraction. This will then help us to write a diary entry from the view point of Mr Hoppy.

We will then be writing a persuasive letter to Mr Hoppy. This is where we will use imperative verbs and persuasive language.

PSHE

- Positive self esteem and outlook
- Anti-bullying.

PE

- Invasion Games
- Bench Ball
- Netball

Year 3

Autumn Term 2021

Computing

Connecting computers

Thinking about computers work and how they connect to each other over networks.
E Safety - Self image and identity.
Learning how to keep safe on line.
Blended Learning - learn to use Teams, Flipgrid and Kahoot
