

## Integrated Curriculum

### The Ground Beneath My Feet

Topic focus: Geography and Science

In Geography, we will be learning and understanding how volcanoes and earthquakes erupt and form and use map reading skills to look at where in the world they occur. We will then be creating our own interactive report about why some places are more susceptible to natural disasters.

In Science, we will be learning all about rocks and soil types and we will be creating a flip grid report. The report will discuss which materials would be the best to build on. We will also be looking into fossils.

## Art

Implied texture - fossils.

An art learning journey in sketchbooks to create different textures with a pencil on paper. We will be sketching techniques to create sketches of fossils and will be using oil pastels and carbon copy paper.

## English

We will be reading the Firework Maker's Daughter, by Phillip Pullman. We will be using the text to write a set of instructions and writing our own poetry.

To do this, we will be learning how to correctly use and punctuate fronted adverbials, colons, bullet points and the use of a/an before nouns.

## PE

- Dance
- Net and Ball Games
- Zumba

# Year 3

## Spring Term 2022

## Computing

E-safety - online bullying and staying safe online.

Computing - we will be using Scratch to learn about programming through creating Sprites that move and make sound.

Blended Learning - we will learn to use Flipgrid, Google Report and Century.

## Maths

Multiplication and Division

Money

Statistics

Length and Height

Times Tables - 8, 3 and 6

## French

This term we will learn to talk about ourselves and continue to build sentences using basic vocabulary.

## Music

We will be exploring rhythm and pitch this term.

## RE - RE Today scheme

Our key focus question for this term is: Why are festivals important to religious communities?

## PSHE

We will explore what it means to have a positive family life and care for each other.
