

## Integrated Curriculum

World of Water. Topic focus: Geography and science. We will be learning about water- how it was used in the past, how we are keeping water clean and where should buildings be built to ensure they are protected for future weather issued. This will lead us to develop map skills- islands and cities built on water around the UK. We will be learning about different states of matter focussing on the water cycle, creating a SWAY to show our understanding of this. Finally, we will be learning about living things, particularly those that live in water, classifying them. We will be researching what can be done to protect them

## French

Speaking in sentences using familiar vocabulary, phrases and basic language structures.

## PSHE

What strengths, skills and interests do we have?

## English

'The Iron Man'  
We will be creating the Iron Man and exploring the text through oracy techniques. We will be focusing on specific grammar skills: subordinating conjunctions, coordinating conjunctions, fronted adverbials, similes, and personification. These then will help us to imitate, innovate and invent our model text. We will then explore the features of newspaper reports before building these skills to produce are own report on the events in The Iron Man

## PE

- Invasion games: Basketball, Tag Rugby
- Swimming
- Gymnastics.

# Year 4

## Autumn Term 2021

## Computing

Computer systems and networks.

Learn who own content and what they can access, add and create online.

E-safety (self-image and identity)

Explain how online identity can be different to offline identity and the impact of this.

Blended Learning - Learn to use Teams, Flipgrid and Kahoot!

## Maths

Number and Place Value

Addition and Subtraction

Measurement: Length and Perimeter

Multiplication and Division

Times tables: 2,3,4,5,6,8,9,10,11.

## Art

'World of Water' Watercolour Project

Abstract watercolour painting inspired by Georgia O'Keeffe and Paul Klee.

Realist watercolour painting inspired by Errol Allen and J.M.W. Turner

## Music

-Rhythm and Pulse

-Body Percussion

RE - RE Today scheme

Why is Jesus inspiring to some people? In this unit, we will learn what inspiring means, people we are inspired by and why Jesus was inspiring.

## Science week!
