PSHE

Changes to our body and puberty. (You will receive further information on this near to the time)

Computing

Summer 1 – Variables in games – explores the concept of variables in programming through games in scratch

Summer 2 – Sensing – bringing together all that has been covered so far – sequences, repetition, selection and variables

RE

What matters most to Christians and Humanists?

Integrated Curriculum “My Heart in Mexico”

History– Learning about the Maya Civilisation

Outcome: Knowing about their lifestyles and different social classes. At the end of the unit children will make a Video presentation as a Mayan to explain why their civilisation ended.

Geography – North and South America

Outcome: To create a Sway presentation to persuade people to visit Mexico using their understanding of the physical and human geographical features.

Science – Animals including humans in Mexico

Learning about the human circulatory system and to describe the functions of the heart.

Year 6

Summer Term 2022

PE

Striking and fielding: learning the basic skills in game format – cricket and rounders

Athletics – Learning the athletic fundamentals including sprinting, jumping and hurdles.

Swimming weekly – starting on the 19th May

English

In English we will be doing two week blocks of writing:

- ❖ Playscripts
- ❖ A narrative with a focus on speech
- ❖ Character descriptions
- ❖ Non-chronological reports
- ❖ Autobiography

Music

Unit 6 – 20th Century Music

To experiment with voice, sounds, technology and instruments in creative ways to explore and create new techniques

French

Revision of what has been taught so far: basic conversations with questioning; telling the time; numbers and dates; weather and hobbies.
