1. Overview statement

*The purpose of governance is to provide confident **strategic leadership** and to create robust **accountability, oversight and assurance** for educational and financial performance.
Department for Education*

Good governance is at the heart of delivering educational excellence. This strategy defines what 'governance' means for the Trust and outlines how governance is structured and organised as part of a whole-trust approach to improving standards.

Drawing on our own experience and DfE good practice guidance this strategy is informed by a set of principles for effective governance which are set out in more detail in Appendix 1.

2. Our Vision and Values

Discovery mission:

To ensure that all our pupils realise their potential.

Discovery vision:

Discovery Trust aspires to achieve **excellence** in all areas of our work. The children and families we work with have confidence in the teachers and leaders of the Trust who act with **integrity** and demonstrate **respect** for individual needs. Discovery aspires for all our schools to become **sustainable** and **altruistic**, driven by a passion for working in **partnership** with all stakeholders.

Discovery values

The Trust values are fundamental to delivering good governance; these values sit at the heart of all our decision making and actions to help us make the right decisions. The values below act as the guiding principles for all those involved in governance within the Trust.

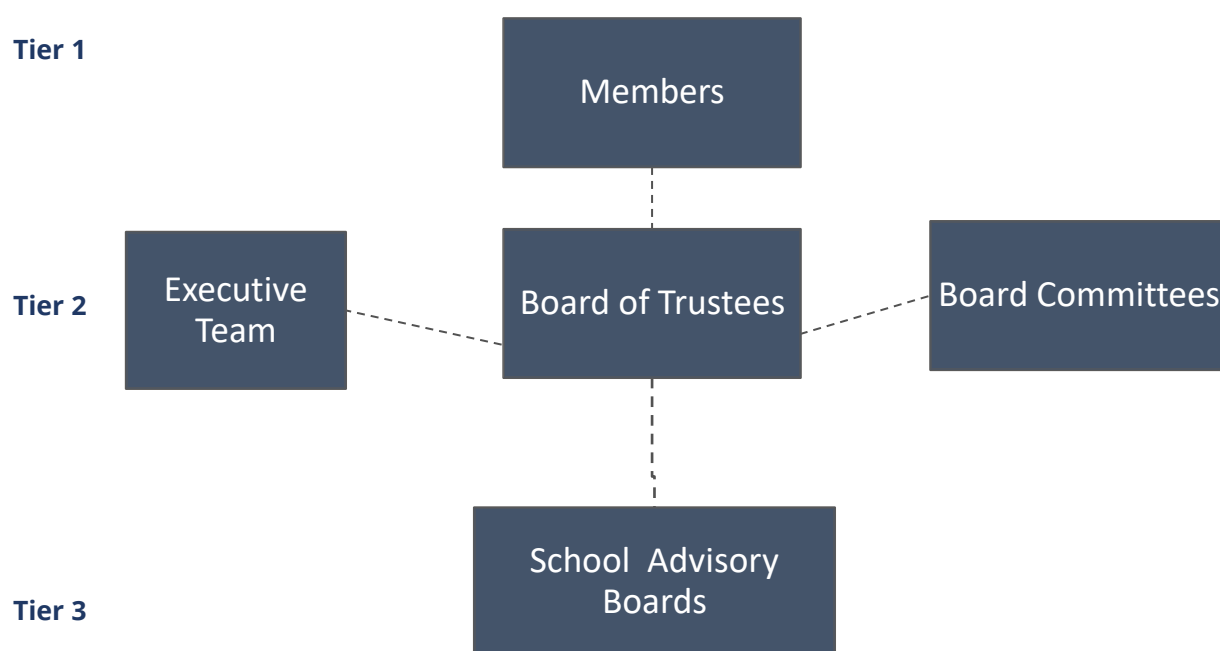

3. Discovery Governance Model

In a multi-academy trust, a single trust is responsible for a number of schools. The nature of the Trust as a company running multiple schools means there are additional governance and management layers.

The Board of Trustees is the legal governing body and are therefore have overall responsibility for the governance of the Trust. However, it does not perform this role alone and delegates functions across the governance structure, these are set out in a Scheme of Delegation which is available on the Trust website.

The governance model identifies three tiers of governance as shown in the diagram below and described in more detail within this strategy.

4. Members

As a charitable company limited by guarantee the Trust has Members who have a similar role to the shareholders in a company limited by shares. The Members are the 'guardians of the governance' of the Trust and ensure that the Trust acts within its charitable objects and values to achieve the vision.

Members have limited but significant powers, most notably they:

- Agree changes to the Articles of Association
- Appoint (and remove) Members
- Appoint (and remove) Trustees
- Appoint the Trust Auditors
- Direct Trustees to take a specific course of action

Current Members are:

- Carolyn Lewis - Director of Education Leicester Diocese
- Richard Bettsworth – Chair of Trustees
- Celia Varley
- Robert Woolston

Members hold an Annual General Meeting where they review the appointments of the Board, the appointment of the external auditor and review the financial statements. In addition to this, Members are invited to visit schools in the Trust and receive a regular update from the trust.

5. Trust Board

Trustees are charity trustees and company directors, as well as the governing body for all the schools within the Trust. The Trust Board is therefore the accountable body responsible for the performance of the Trust and its schools. The Trust Board has overall responsibility for:

- a) Ensuring clarity of vision, ethos and strategic direction;
- b) Holding the Trust Leader and Trust Senior Leadership to account for the educational performance of the Trust;
- c) Overseeing and ensuring effective financial performance.

The Board is made up of 12 trustees each with an area of specialism:

The Education Standards Committee is focused on improving the educational performance of mainstream primary education, maintaining oversight of safeguarding, curriculum, assessment, quality and standards. This provides assurance and ensures concerns are raised (if appropriate) to the Trust Board. The Committee makes recommendations, as appropriate, on quality and performance matters to the Trust Board and ensures the Trust responds to any performance issues raised in national data reports and by Ofsted.

The Board have created a School Improvement Committee to advise the Education Standards Committee on the progress of 'priority schools'. The School Improvement Committee will provide detailed scrutiny and monitoring of the Trust support for schools at risk of underperforming to ensure appropriate actions are taken to rapidly improve performance. More detailed information about the role and remit of the School Improvement Committee is set out in the terms of reference.

Human Resources (HR) Committee

The role of the HR Committee is to provide the Board with assurance concerning all aspects of strategic workforce and organisational development. The Committee will maintain an oversight of the Trust's approach to remuneration, pay progression, terms and conditions of employment and workforce related policy.

SEND Cluster Committee

The SEND Cluster Committee has been established to have oversight of the Trust's special schools, school-based specialist provision and specialist support services. Its focus is on improving the educational performance of specialist education, maintaining oversight of safeguarding, curriculum, assessment, quality and standards. The Committee makes recommendations, as appropriate, on quality and performance matters to the Trust Board and ensures the Trust responds to any performance issues raised.

Committee membership is agreed by the Board of Trustees annually. Each committee is made up of at least 3 Trustees and up to 2 co-opted members appointed for their skill and experience. Each committee generally meets three times a year prior to a main board meeting.

The Board have appointed the Trust Leader as the Accounting Officer, with overall responsibility for the operation of the Trust's financial responsibilities. The Trust Leader must ensure that the organisation is run with financial effectiveness, stability and probity; avoiding waste and securing value for money.

The Board have appointed the Director of Finance as the Chief Financial Officer.

The Executive Team have a role in the oversight of individual School Risk Registers, the Trust's 'tool' for the management and monitoring of strategic risk. See section on School Risk Registers.

7. Advisory Board

Each school has an Advisory Board which provides local governance on behalf of the Board of Trustees. With detailed local understanding and experience, the Advisory Board's focus is on challenging and supporting the quality of provision and educational outcomes for pupils at a school level.

The Advisory Board has a key role in influencing the development of the school, providing a forum for discussion of strategy and policy matters to ensure the education delivered meets the needs of children locally.

The Advisory Board also provides a mechanism for ensuring that the Trust is provided with independent and objective views from the local community.

Advisory Board responsibilities

The Advisory Board has a range of responsibilities which include:

- Supporting good governance of the school
- Safeguarding and promoting the values of the school, ensuring that the school continues to strongly demonstrate its distinctiveness
- Working in collaboration with the Headteacher to improve pupil achievement and well-being
- Maintaining a detailed understanding of the strengths and areas for development of the school
- Contributing to the development of strategic priorities to promote school improvement
- Regularly reviewing data on achievement, quality of teaching, behaviour and safeguarding
- Regularly monitoring the risk register and escalating concerns to the trustees

- Minimum of two elected parents
- Minimum two appointed community representative

- One elected staff representative
- The Headteacher
- [Kibworth CE] two foundation members

The skills, knowledge and experience members bring into the governance process is important in challenging the way their school operates, and how it anticipates and responds effectively to change. Efforts should be made to include individuals who reflect the diversity of the community served by the school.

Advisory Board meetings may also be attended by members of the Trust Board or Executive Team.

The Kibworth CofE school Advisory Board¹ also includes an additional two foundation members appointed by the Diocese of Leicester Educational Trust. Advisory Board members serve a three-year term of office.

Advisory Board Committees

Foundation and Community Committee - Kibworth CofE

Kibworth CofE Advisory Board will operate a Foundation and Community Committee which will meet termly. The membership of this committee must include the foundation members appointed by the Diocese of Leicester Educational Trust. The role of the committee is to protect, promote and develop the Christian character and distinctiveness of the school in partnership with the church.

Additional Committees

The Trust acknowledges that from time to time an Advisory Board may require a committee/working party to look at specific issues. The formation of committees must be approved by the Trust.

AB Organisation

- The Advisory Board elects a Chair and Vice-Chair annually.
- The Advisory Board is clerked by the Trust Clerk.
- The Trust Clerk co-ordinates the agenda working with the Headteacher and AB Chair.
- The AB meets at least 4 times a year.
- The Advisory Board reports to the Education Standards Committee through the minutes and chair's termly report.

¹ The Trust is required by the Articles of Association to appoint a 'Local Governing Body' for Kibworth CofE, this is referred to by the term Advisory Board in this strategy.

8. OFSTED

During an OFSTED inspection, the quality of governance will impact on the leadership and management judgement. As part of the inspection visit the lead inspector should meet with those responsible for governance functions, this includes, the following:

- Chair of the AB or their representative
- Trustee or their representative
- Director or Primary Education / School Improvement Partner
- Trust Leader
-

Appendix 2 provides an overview of the accountability arrangements within the governance structure.

9. School Risk Register

The School Risk Register is the Trust's 'tool' for the management and monitoring of strategic risk. Headteachers are responsible for identifying the key risks to the delivery of educational excellence for the school and the key controls in place to manage the risk.

Each school's risk register is reviewed at scheduled points during the year by the Director of Education. Where the rate of improvement is insufficient a risk mitigation plan is created to secure rapid improvement

The Advisory Board receives the risk register termly and is responsible for independent oversight. The Advisory Board will monitor and review progress and escalate concerns to the Trust Board or Executive Team. Advisory Boards can recommend risks for inclusion in the risk register.

Appendix 1 – Principles for Effective Governance

1. The governance structure reflects good practice.
2. The Board is effective. The Chair demonstrates strong leadership skills and an independent approach. The Board is well balanced, no one individual or group has greater powers of decision making or dominates the Board. The Board has an appropriate balance of skills. New members have inductions and the Board critically evaluates its performance annually.
3. The Board's remit and size supports effective decision-making. The Board size cannot exceed 11 members.
4. The Board is strategically, not operationally, focussed. There is an effective committee structure.
5. Appointments to the Board are through an open and transparent recruitment process. All appointments are informed by skills needs which are regularly assessed. The Board actively works to attract a diverse range of candidates representative of the Trust community that schools serves.
6. Decision-making processes are clearly documented, approved and communicated. Decisions are made at the appropriate level.
7. Transparency and accountability is intrinsic to the way the Board, the Trust Leader and the wider Trust operates.
